GENERAL RULES AND REGULATIONS OF SAFETY AND BEHAVIOUR

- The maximum permitted speed in parking lots and spectator traffic areas shall be the movement speed of pedestrians (max. 10 km/h).
- Parking shall only be permitted in locations that have been designated as parking spots. Incorrectly parked vehicles/motorcycles may be removed at the expense of the possessor of the vehicle/motorcycle.
- The maximum permitted speed on the pit lane is 50 km/h.
- Unauthorised persons are forbidden to stay at the run-off areas and evacuation routes of the track unless the person has reached such locations as the result of running off the track.
- The use of motor means of transportation by persons without the right to drive is prohibited. The parents of children or their authorised representatives are liable for the activities of children.
- Creating noise from 21:00 in the evening to 08:00 in the morning is prohibited. In the respective time period, it shall be prohibited to start the engines of vehicles whose noise levels exceed the noise level permitted for vehicles in street traffic.
- Storing any goods or objects in front of buildings and entrances to and exits from the track is forbidden. Storing goods and parking vehicles on evacuation routes is likewise strictly forbidden.
- Adhering to all environmental rules arising from valid legislation is mandatory. Depositing waste shall only be permitted in the specifically provided locations on the condition that the waste to be deposited fits in the deployed containers. If the waste containers are full, depositing waste beside the container shall be prohibited. If there are containers for various types of waste at the locations for depositing waste, the waste shall be sorted by type.
- Depositing environmentally hazardous waste on the territory of the track shall be strictly forbidden unless a specific procedure for storing environmentally hazardous waste has been established with the instructions of a specific event. Any fluid leaks caused by damage to vehicles shall be immediately eliminated and the track personnel shall be notified of the pollution caused.
- In the event of violation of clauses 9.6, 9.8 and 9.9, the person who caused the damage shall be liable for the damage.
- Special attention shall be paid to handling flammable materials (fuels, oils, etc.) in order to ensure fire safety. When refuelling vehicles/motorcycles, a verified dry-powder extinguisher that holds at least 6 kg of extinguishing agent or a fire extinguisher of another type with at least the same extinguishing capacity shall be kept in close proximity. Fuel may only be stored in the respectively provided canisters while complying with all fire safety requirements. The person who handles flammable materials shall be liable in full for any damage caused by the materials. The absence of a fire extinguisher shall be penalised with a fine of 100 euros.
- For the purpose of environmental friendliness, all devices that consume power (lighting fittings, heating, technical equipment) shall be switched off when not in use.
- Using the power grid shall only be permitted upon prior agreement with the Organiser. Unauthorised creation of electrical connections is strictly prohibited.
- The Organiser shall be immediately notified of any damage caused to the track by presenting a written explanation concerning the circumstances of the event. Every person who causes damage shall be personally liable for the damage caused. Damage shall include, but is not limited to, damage to barriers, gates, asphalt, cables, piping, electrical systems, etc.
